(all activities will be at 45660 Hocking Ave.)**

The week of August 22-26th you will receive an email with details about the times of your child's orientation (2hrs 15 minutes in length).

A WEB leader will also be making a reminder phone call on August 29th or 30th.

Staff and WEB leaders will be at the front of the school directing the students.

The purpose of this orientation is to make the transition from elementary school to middle school a positive one. WEB Orientation is a key part of setting your child up for success at the start of the school year. Grade 8 students will be serving as leaders and mentors to the new Grade 6 students. Activities are designed to help students get excited about middle school while alleviating feelings of nervousness.
