There are two times: 8:30-9:45 & 10:30-11:45. Check your email to see which time your child is attending.  
With COVID restrictions, times can't be changed. A WEB Leader will be calling Mon/Tue.

**Wednesday, September 2, 2020**

(all activities will be at 45660 Hocking Ave.)

Due to COVID restrictions, parents please just drop off your child while you stay in your vehicle. Staff and WEB leaders will be at the front of the school directing the students. Please have your child wear a mask and do a [pre-screening](#) at home. All our activities will be socially distanced and within your child's cohort.

The purpose of this orientation is to make the transition from elementary school to middle school a positive one. Grade 8 students will be serving as leaders and mentors to the new Grade 6 students. Activities are designed to help students get excited about middle school while alleviating feelings of nervousness.

**Wear comfortable clothes and shoes**

If you have any questions, please email WEB Coordinator;  
Mr. Lightle at [sean\\_lightle@sd33.bc.ca](mailto:sean_lightle@sd33.bc.ca).
